## Corporate Law: Mergers and Acquisitions

### OVERVIEW

Mergers and acquisitions (M&A) continue to redefine Malaysian businesses, both public listed companies and small-medium enterprises (SME's). There are various corporate structures and transactions that may be used for the consolidation and transfer of corporate interests. Hence it is important for business owners and corporate professionals to know the regulations, legal process and due-diligence involved in such transactions. The main focus of this talk will be on the acquisition of shares in both private and public listed companies in Malaysia.

### TALK POINTS

- Introduction to Corporate Law
- Introduction to Mergers & Acquisitions
- Types of M&A transactions
- Acquisition of Shares
- Share Sale for Private & Public listed Companies
- Due-Diligence
- Key points to the M&A legal process

### ABOUT OUR TALKS

Our educational lunch talks encourage our clients, professionals, directors, senior management, business owners and legal counsel to acquire knowledge and awareness, promote deliberations and networking to explore new strategic partnerships. These lunch talks are complimentary and are open to interested members of the public to attend. A simple buffet lunch will be served before the talk begins.
